Hi Lisa,

Hurrah! At last I am finally Chairman of something!

Seriously, let's try to use this forum to educate ourselves and inform city officials of our needs.

In other words, I would like to invite any special guests that our group would like to be better informed about.

Parking is on our mind, so next time could we possibly invite the person in charge of street cleaning to better explain the sweeping grid and if we could change that?

Or better enforcement of existing parking hours in the evening?

I'll be there at 11:45 if you want to chat before the meeting.

Thanks!

Ron
